

Work in Healthcare

An introductory SOSU training programme for multilingual participants interested in the social and healthcare sector.

Start: 11.01.2027
End: 05.08.2027

Requirements:

- You are interested in working closely with and supporting people.
- You are interested in providing care, personal care and practical assistance.
- You can speak, read and understand Danish and are motivated to improve further.
- You have completed at least Danish Education 2, module 4 at a language school, FVU level 2 or equivalent.
- Your mathematics skills are equivalent to Danish 9th grade.
- Hold a valid residence permit.
- You must be able to provide a criminal record certificate.

Salary:
You will be employed as an unskilled worker for 37 hours per week while taking part in Work in Healthcare.

I would like to take part - what should I do?
You can apply via the Billund and Fanø Municipality websites under Jobs/Vacancies or via the direct link on the school's website.
