

Work in Healthcare

An educational program for bilingual individuals who are interested in education and employment within the social and healthcare sector.

We are looking for you, if you have the following qualifications:

- You are interested in working closely with and around people
- You are interested in providing care, nursing, and practical help
- You have a strong sense of responsibility
- You have at least Danish language education 2.3 from the language school, FVU 2 or equivalent
- You can speak, read, and understand Danish and are interested in improving your Danish even further
- Your math level should correspond to the 9th-grade level
- You must have a valid residence permit
- You must be able to present a criminal record certificate.

I would like to participate – what should I do?

If you are self-supporting, employed, have an upper secondary education and/or a medium- or higher-level education from your home country, you must apply via the municipalities' job postings, which can be found both on SOSU Esbjerg's website as well as on the website of the municipality in which you wish to be employed. The next time you can apply is from 15/9 2025.
